## DISCOVERY OF DR. B. SAHNI

DR. MEGHA LAWER, MD(HOM)

### HOMOEOPATHY IS BASED ON THE DYNAMIC SPIRITUAL LAYER OF LIFE WHICH GOVERNS THE MATERIAL BODY

HOMOEOPATHIC SYSTEM OF MEDICINE IS DIAGONALLY OPPOSITE TO THE CONVENTIONAL METHODS

ENTIRE PRINCIPLE OF HOMOEOPATHY IS ON THE DYNAMIC LIFE,
DYNAMIC DISEASE AND DYNAMIC NATURE OF MEDICINE

DR. HAHNEMANN DISCOVERED THAT THESE DYNAMIC MEDICINE CAN BE PREPARED BY REDUCING THE MATERIAL QUANTITY OF THE MEDICINAL SUBSTANCE AND CAME UP WITH THE UNIQUE DYNAMIZATIOM PROCESS OF CONVERTING THE MATERIAL SUBSTANCE INTO THE POTENTIAL DYNAMIC SUBSTANCE.

## NOT A SINGLE MOLECULE OF THE MAIN SUBSTANCE ARE PRESENT IN THE HOMOEOPATHIC POTENCY BEYOND 6- 12 POTENCY

MOST NATURAL QUESTION ARISES HOW THESE DYNAMIC MEDICINES WHICH IS DEPRIVED OF MATERIAL SUBSTANCE CAN AFFECT OUR BODY AND BRING CHANGE TO PRODUCE CURE FROM THE DISEASES

NO DOUBTS THAT THESE HIGHLY POTENTIZED HOMOEOPATHIC MEDICINE HAS BEEN USED AND CURATIVE EFFECTS ARE OBSERVED SINCE THE LAST TWO HUNDRED YEARS.

MANY PLAUSIBLE EXPLANATION ARE TRIED TO BE MADE AND STILL TODAY IT IS BEING ATTEMPTED. IT IS NOT YET CONFIRMED HOW IT WORKS.

## SOME 60 YEARS BACK DR. B. SAHNI MADE A VALUABLE INSIGHT INTO THESE DYNAMIC MEDICINE

4

DR. SAHNI OBSERVED THAT DYNAMIC SUBSTANCE ARE NOT MATERIAL TO BE ADMINISTERED ORALLY THROUGH MOUTH

ALL DYNAMIC SUBSTANCE HAVE THE BASIC PROPERTY OF REMOTE SENSING AS SUCH HOMOEOPATHIC MEDICINE ALSO CAN BE TRANSMITTED FROM A DISTANCE.

IN EARLY 1960 DR. B. SAHNI STARTED MAKING EXPERIMENTS ON THESE POTENTIZED MEDICINE OF HOMOEOPATHY.

INITIAL OBSERVATION ON GETTING AFFECTED SIMPLY BY COMING IN DIRECT CONTACT AS TOUCH WAS ALSO MENTIONED IN ORGANON OF MEDICINE AND OLFACTION WERE PRACTICED WHICH HAS PROVED TO BE QUITE EFFECTIVE AS THAT OF ORAL ADMINISTRATION.

TO TRANSMIT A MEDICINE DR. SAHNI USED NATURAL

**BELONGING OF THE PATIENT AS MEDIUM** 

DR. B. SAHNI CONTINUED HIS EXPERIMENTS ON PATIENTS ATTENDING HIS CLINIC.

FOR HIS CLASSICAL APPROACH TO HOMOEOPATHIC MEDICINE USING SINGLE MEDICINE ONLY

# DR. SAHNI WAS REPUTED FOR HIS FIRM BELIEF IN CLASSICAL APPLICATION OF HOMOEOPATHY

6

REPERTORIAL APPROACH OF DR. SAHNI WAS VERY MUCH APPRECIATED AS HE HAD GOOD COMMAND OVER THE KENT'S REPERTORY

PATIENTS FROM ALL OVER THE COUNTRY WERE TAKING CONSULTATION FROM HIM.

STILL TODAY WE HEAR MANY LEGENDARY CURE FROM THE PEOPLE OF HIS TIME

# DR SAHNI HAD DEEP INSIGHT INTO THE SUBJECT OF PHILOSOPHY

7

IT MADE HIM WELL VERSED WITH THE ORGANON OF MEDICINE AND CHRONIC DISEASE OF DR. HAHNEMANN

VAST EXPERIENCE OF CLINICAL APPLICATION OF HOMOEOPATHIC MEDICINE IN INCURABLE DISEASES WITH GREAT SUCCESS AND DEEP INSIGHTS INTO THE HOMOEOPATHIC PHILOSOPHY MADE DR. B. SAHNI CONFIDENT TO START MAKING NEW EXPERIMENTS.

### CLASSICAL PROCEDURE OF HOMOEOPATHIC PRACTICE 8

AFTER LONG AND DETAILED CASE TAKING AND FINAL SELECTION OF MEDICINE THROUGH REPERTORIAL WAY WAS HIS WAY OF PRACTICE.

AFTER MAKING SELECTION HE STARTED TRANSMITTING SELECTED MEDICINE IN POTENCY THROUGH THE HAIR TAKEN OUT FROM THE PATIENT.

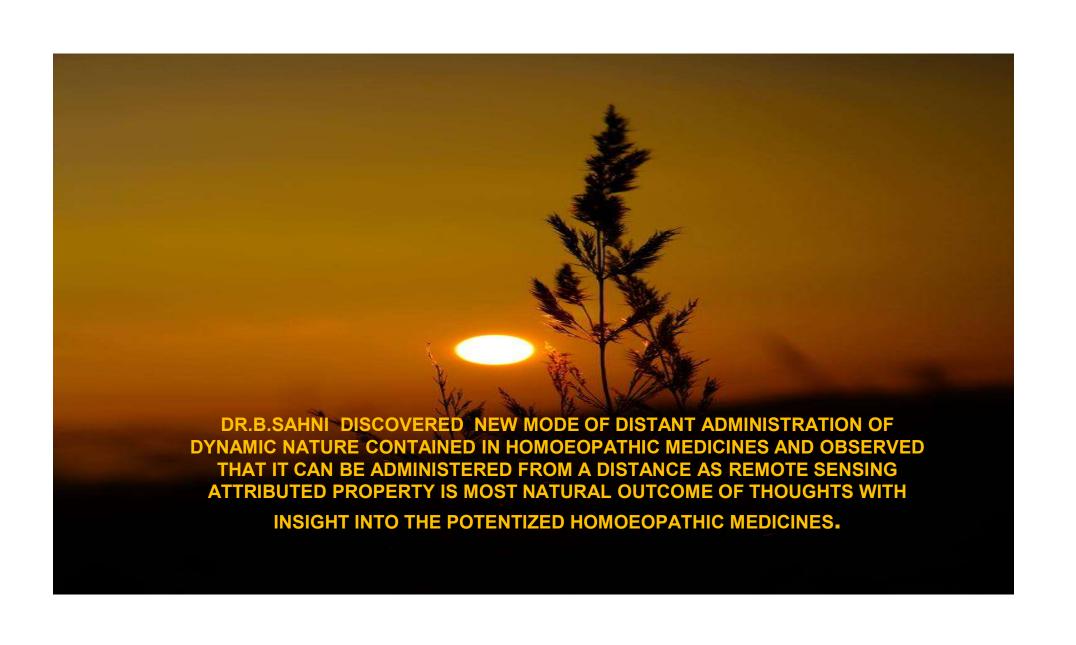

THIS SELECTED MEDICINE WAS BROUGHT IN CONTACT WITH THE HAIR. PATIENTS WERE ASKED TO REPORT ABOUT THE CHANGES OBSERVED.

THE VERY FIRST EXPERIMENT PROVED TO BE A GRAND SUCCESS.
ENCOURAGED WITH THE RESULTS HE CONTINUED TO EXPERIMENT ON
DIFFERENT TYPES OF PATIENTS WITH CONTINUED SUCCESS.

RESEARCHER MIND OF DR. B. SAHNI COULD NOT GET SATISFIED WITH THESE SUCCESS AS HE WANTED TO MAKE IT A CONFIRMED AND EVIDENCE BASED SO THAT IT CAN BE UTILIZED BY ALL

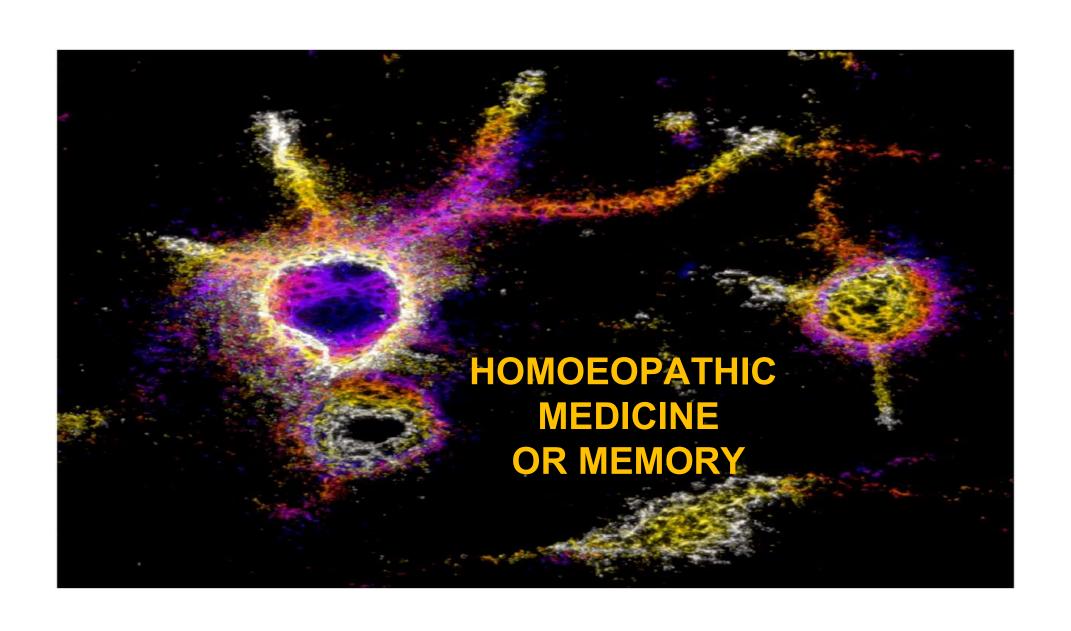

HE GOT HIS OBSERVATION PUBLISHED IN JOURNALS AND BOOKS.
HIS BOOK TRANSMISSION OF HOMOEO DRUG ENERGY FROM A
DISTANCE WAS FIRST PUBLISHED IN 1970 WHICH WAS SOLD OUT
AND AGAIN PUBLISHED HIS SECOND REVISED EDITION.

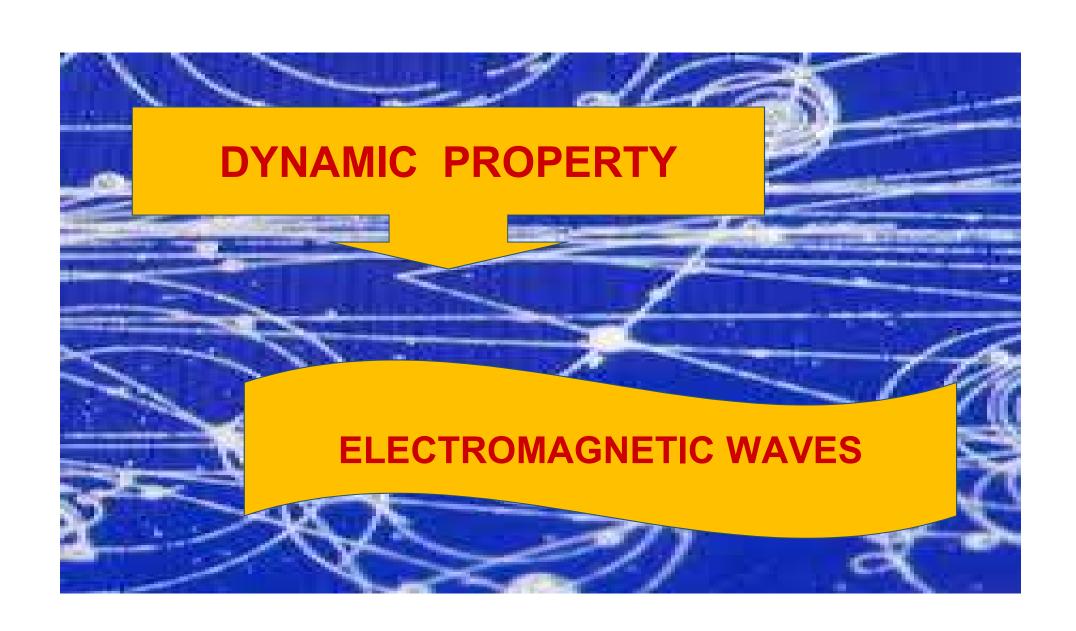

DR. SAHNI CONTINUED MAKING INOVATION WITH CONSTANT FOLLOW UP WITH HIS RESEARCH TILL THE END OF HIS LIFE

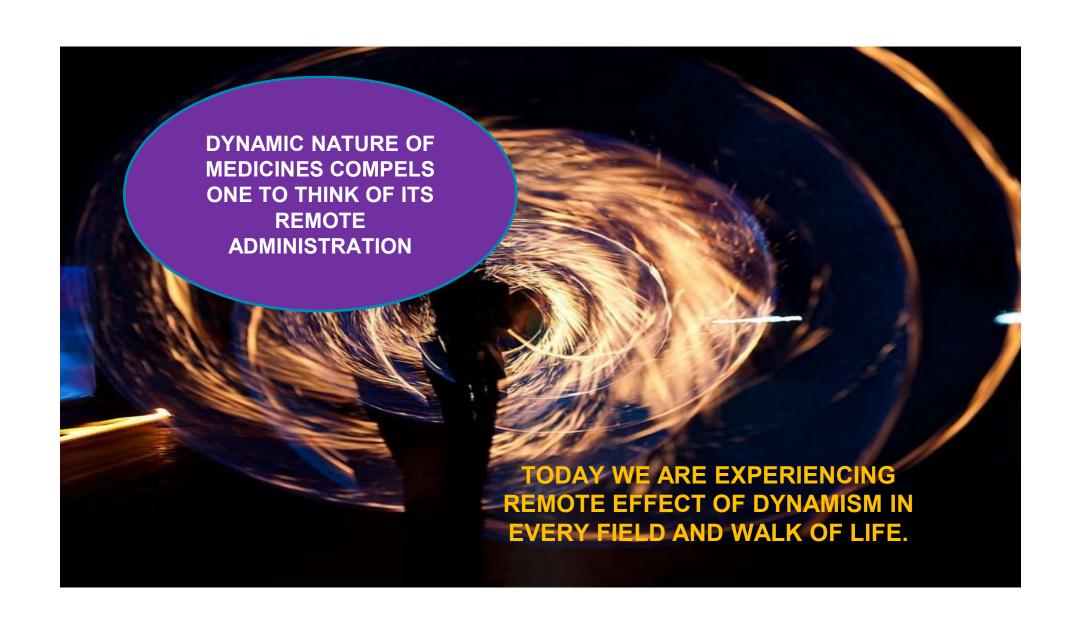

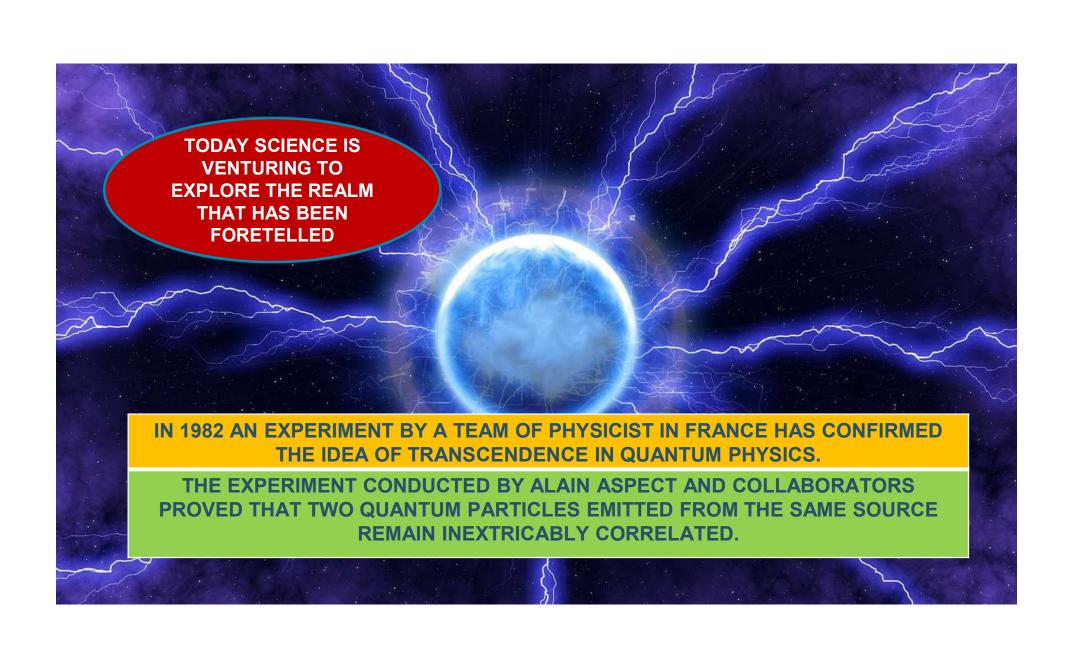

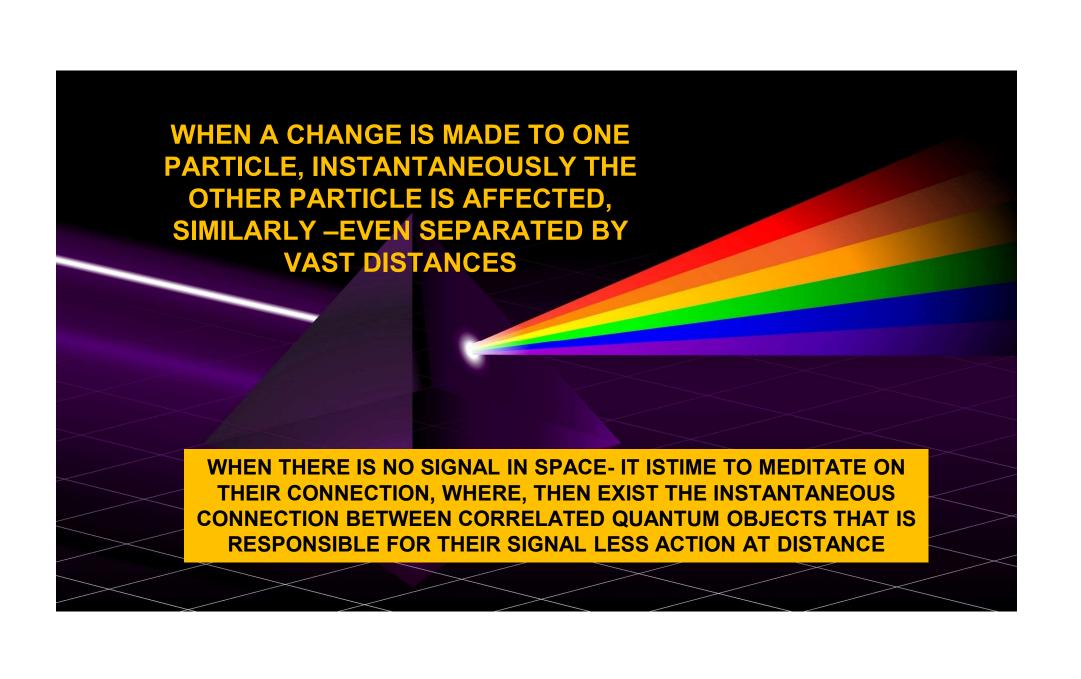

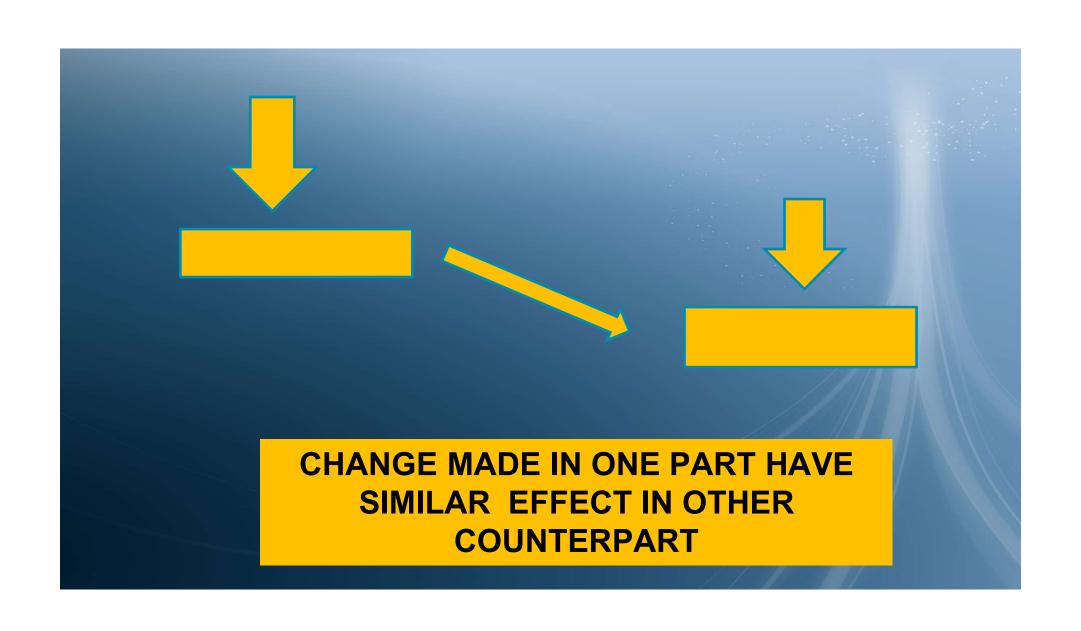

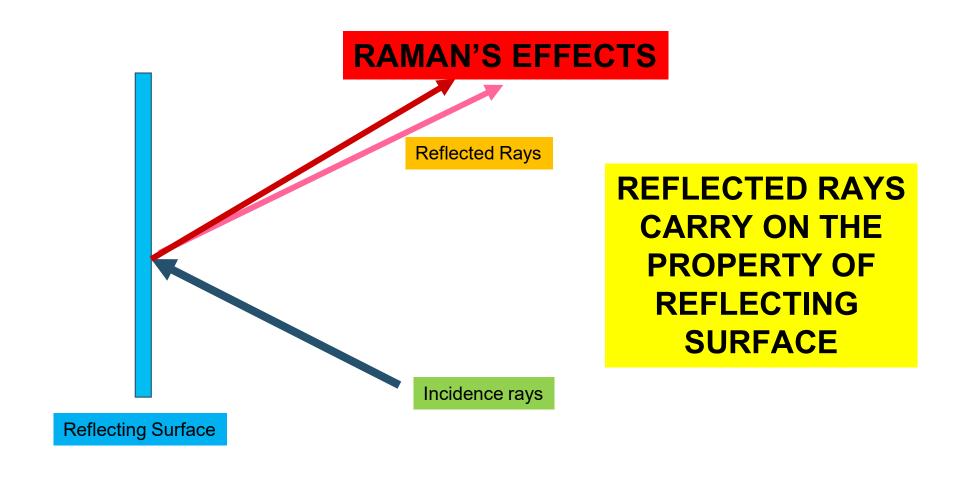

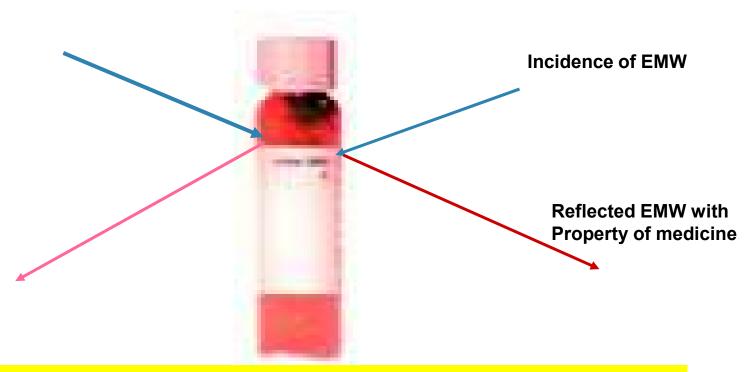

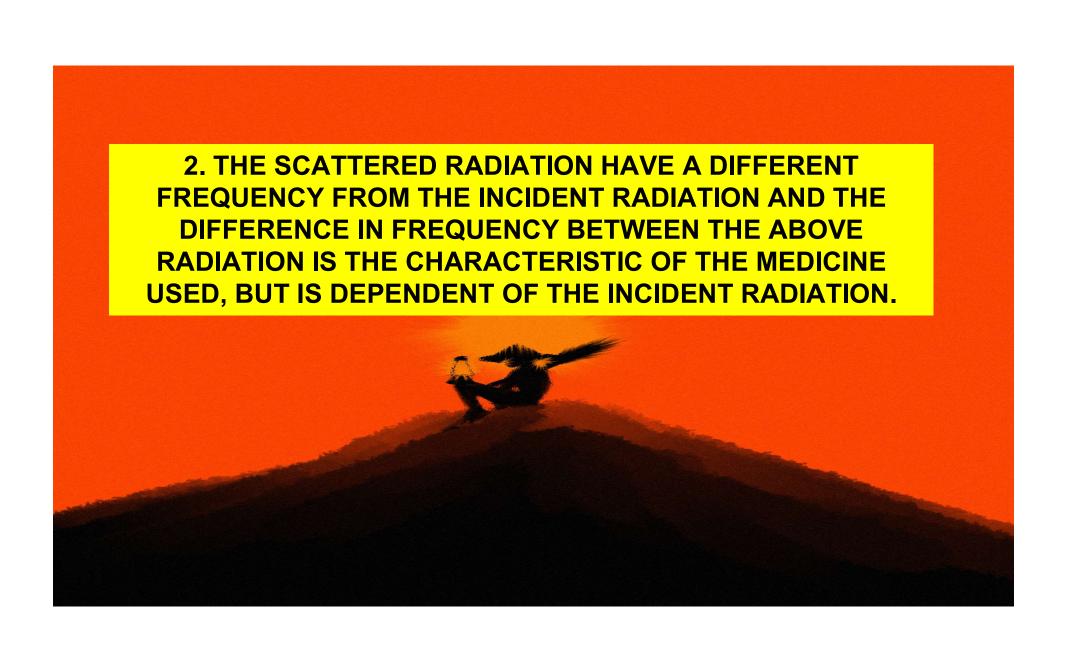

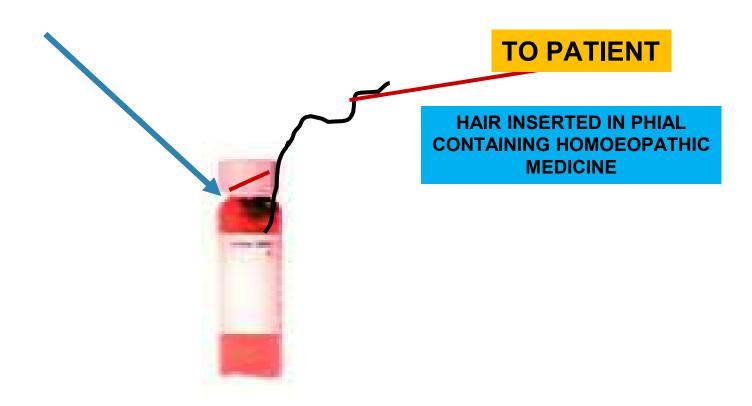

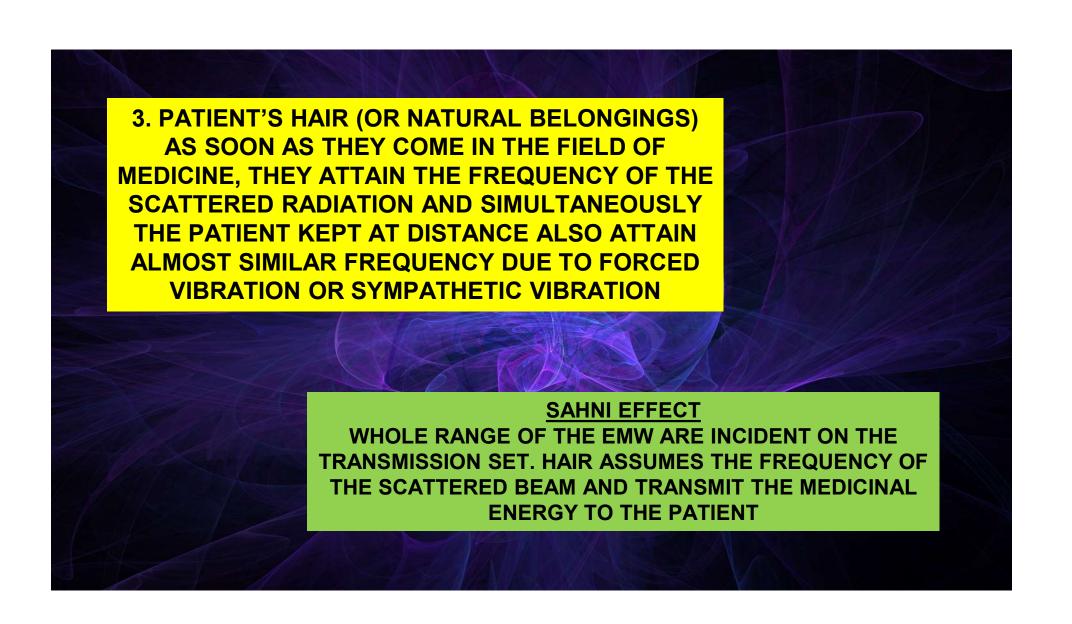

WHOLE RANGE OF EMW ARE INCIDENCE ON THE PHIAL CONTAINING HOMOEOPATHIC MEDICINE AND REFLECTED ALONG WITH MEDICINAL PROPERTY

REFLECTED EMW ASSUMES THE FREQUENCY OF HAIR AND TRANSMITTED TO THE PATIENT WITH FORCED VIBRATION OR SYMPATHETIC VIBRATION

EFFECT OF DISTANT ADMINISTRATION OF DYNAMIC DRUGS ARE INSTANT

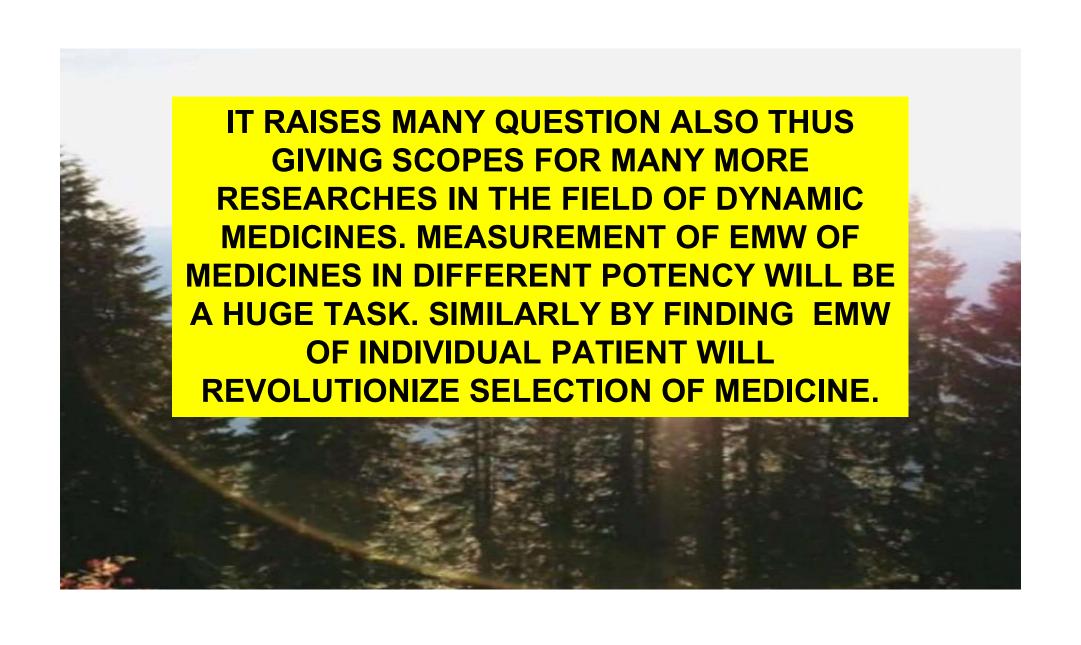

THEY HAVE BEEN DEMONSTRATED THROUGH THE KIRILIAN PHOTOGRAPHY.

PATIENTS EXPERIENCES THE CHANGES.

CHANGES HAS BEEN CONFIRMED THROUGH THE PATHOLOGICAL REPORTS.

### **ADVANTAGES**

- 1. DISTANCE IS NO BAR FOR TREATMENT. PATIENT SEATED AT FAR AWAY PLACES CAN BE TREATED
- 2. DURING AGGRAVATION IT CAN BE BROUGHT UNDER CONTROL BY SIMPLY REMOVING THE HAIR FROM MEDICINE
- 3. IN CASE OF WRONG SELECTION OF MEDICINE ACTION CAN BE STOPPED BY REMOVING THE HAIR.
- 4. IT IS CONTROLLED MODE OF APPLICATION OF MEDICINE. ONLY REQUIRED DOSE IS ADMINISTERED.

APPLIED HOMOEOPATHIC DRUG TRANSMISSION IN THE CASES OF HYPOTHYROIDISM - CASE STUDY

### **ABSTRACT**

29

Mode of administration of Homoeopathic medicine has vital role to play in bringing a change towards the cure. Dr. Hahnemann himself searched and experimented with the different mode of administration of dynamic medicine of Homoeopathy by trying to apply through the different conventional mode. Oral, tactual and olfaction being widely accepted and conventional practice for administration dominated in every system of medication. Oral administration instilled in all medicines principles became the instinctive mode of administration both for the practitioners as well as for the patient. Discovery of Dr. B.Sahni Transmission of Homoeopathic Drug Energy from a distance is a breakthrough in the mode of administration.

In our present case study on applicability of distant mode of administration of Homoeopathic medicine we took up cases of Hypothyroidism. Selection of Homoeopathic medicine was done in most classical way by following the totality of symptoms as prescribed in Homoeopathy. Selected medicine was administered from our OPD to the patient residing at their dwelling place through the hair taken out from them. Results were observed for the change and followed up with the progress in most classical way of Homoeopathy. Kent' observation for the subsequent changes was strictly adhered to make subsequent changes in medicine as well as their potency. Patients were followed up even after the laboratory reports were proved to be within the range to observe for any relapse. Homoeopathic drug administration's through transmission of medicine from a distance through hair for Hypothyroidism patients are quite effective mode most compatible with the Homoeopathic principles.

**CONCEPTS OF DISTANCE ADMINISTRATION** 

Homoeopathic Medicine (Magneticphoton) Teleport From A Distance Through Hair (Entangled Particle)

As a therapeutic intervention, homeopathy is somewhat target of enhanced skepticism because within the main, its remedies are diluted and successes (potentized) out of fabric existence. This puts homeopathy seemingly at odds with the paradigm of conventional science, especially, that atoms and molecules are the elemental building blocks of all matter. And each atom has electron, proton, neutron and own energy label which exists in nature so every particle features a specific energy and wave length and frequency now that molecules potentized (so molecules is converted in is energy (magnetic photon) because every mass is converted to energy and energy is converted to mass. (Energy is neither created nor destroyed).

### **ABSTRACT**

Energy may be a conserved quantity; the law of conservation of energy states that energy is often converted in form, but not created or destroyed. Dr. KARIN LENGER homoeopathic potencies identified the new magnetic resonance method. Their electromagnetic properties are demonstrated by a fairly new developed resonance method using two different Tesla coils which generate longitudinal wave at distinct resonance frequencies within the HF range at low micro voltages, when laid in to the maximum of magnetic field. Therefore, it can be concluded that homeopathic potency consists of magnetic photons.
